Hi all,

Bob would like to include this topic in his WDNR General call on Thursday. I'm sure you are already preparing a 1-pager for the LCD general, which has been rescheduled for Thursday at 10am due to Bob's travel schedule. If you could please provide that write-up by Tuesday afternoon, I will be sure he has a hard copy to get up to speed from while he is on the road on Wednesday.

Please let me know if you have any questions.

Thanks,

**Rhiannon Dee**

The letter will not go out today. The draft letter will be discussed as part of the briefing already scheduled for you next week. If you have any questions, please contact me.
